

The Florida Greek Standards (FGS) Accreditation Program assessment is based upon the chapter's completion of the minimum requirements and additional opportunities for excellence as outlined in our policy. Each chapter will receive an official designation in one of the four chapter categories, directly reflecting that particular chapter's achievement for the previous academic year: Chapter of Excellence, Noteworthy Chapter, Accredited Chapter, or Provisional Chapter.

Chapters scoring at the provisional level will meet with the FGS Review Committee to create an action plan for the upcoming 2018-2019 year. Being a provisional chapter does not restrict the amount of service, philanthropy, or social events the organization can host throughout the year.

**The number inside of the parenthesis indicates the exact amount of points each chapter received during the accreditation process.
