The Florida Greek community welcomes you to the University of Florida. With more than 7,400 members representing 64 Greek organizations, joining a sorority or fraternity can be a life-changing experience for any student. Though unique in its origin, history, members, and rituals, each Greek organization on campus holds firmly to the common values of unity and excellence. We invite you to look into all of the amazing possibilities and experiences our Greek community has to offer.

The core values of the Greek community highlight a serious focus on scholarship, a high level of student involvement on campus, and a commitment to our community. Scholarship, service, leadership, and community are the four tenets by which each Greek member strives to live. By highly encouraging these four principles to every Greek organization on campus, the Greek community at UF represents an outstanding group of students who achieve and succeed on a daily basis.

The Greek community also fosters unparalleled opportunities for involvement and leadership. From on-campus leadership opportunities, positions within each individual Greek organization, and positions serving the Greek community, students become rapidly exposed to a multitude of opportunities that can enhance their college experience and develop strong leadership qualities. Furthermore, the personal enrichment that accompanies the brotherhood or sisterhood of a Greek organization has proven to be one of the most treasured, creating friendships that last far beyond the college years.

We believe that being members of the Greek community invariably shapes who we are today, as well as the kind of men and women we will become. We will look back fondly on the time spent at UF and recognize the vital impact that the Florida Greek community played in our college experience.

Student life outside of the classroom is an integral component of the college experience. Involvement not only makes a large campus feel smaller, it also helps promote academic and personal success. Sororities and fraternities are just one way to get involved at the University of Florida. The Florida Greek community consists of values-based organizations that are committed to our four pillars of scholarship, service, leadership, and community.

Joining a sorority or fraternity is not a decision to be taken lightly. Affiliation with a chapter will mean a commitment to live by the ideals of the chapter and the community every day. In doing so, it is one way to enhance your experience at UF and create friendships that will last a lifetime. The Florida Greek community aims to complement and expound on the educational experience. Please consider taking time to learn about our 64 chapters as well as the entire Florida Greek community by reviewing our website at greeks.ufl.edu or by attending any recruitment or interest meeting of the individual organizations. Welcome to UF!

- Sorority and Fraternity Affairs
Since as early as 1776, fraternities and sororities have challenged students to broaden their collegiate experience. Generally founded upon the values of scholarship, service, leadership, and the development of lifelong friendships, the Greek community has fostered excellence in college education for several generations.

Since the establishment of the Florida Greek community in 1884, sorority and fraternity members at the University of Florida have consistently formed the bonds of brotherhood and sisterhood, graduated with high grade point averages, and provided service to the University and its surrounding community.

Our community is strong and diverse, with 64 chapters belonging to one of the four governing councils: Interfraternity Council (IFC), Multicultural Greek Council (MGC), National Pan-Hellenic Council (NPHC), and Panhellenic Council (PC). The Florida Greek community at UF provides an opportunity for students to discover and achieve throughout their collegiate years and beyond.

The Florida Greek community is an excellent place to gain the experience and knowledge necessary to develop strong leadership skills. The community is largely self-governing, giving student leaders the opportunity to shape policies and standards for their own organizations, as well as the larger fraternity and sorority community. Serving as an officer or committee chair in a chapter or governing council will help an individual develop a multitude of leadership skills including conflict management, delegation, decision making, and effective communication.

Being a member of the Florida Greek community often serves as a “gateway to involvement” in other areas of campus such as Student Government, student organizations, ambassador programs, student employment, and campus honoraries. Members of the Florida Greek community have historically held some of the highest leadership positions and honors on campus.

ADVICE TO INCOMING NEW MEMBERS

If you are even remotely considering joining any Greek organization on this campus, the best words of advice I could give are to take that leap of faith and come out during recruitment. Although it may seem like an intimidating process, it is one that will expose you to all of our great chapters. With 24 currently active fraternities in our council, I can personally guarantee you that there is a place for you. The most common regret many Greek students have is that they didn’t join their organization the very first day they stepped foot on this campus.

ABOUT

The National Pan-Hellenic Council (NPHC) at UF is composed of historically black Greek-letter organizations that evolved at a time when black students were denied the essential rights and services afforded to others. Each of the NPHC organizations was designed to foster brotherhood or sisterhood and serve as conduits by which action plans could be formulated to influence social action and change in the black community.

INTERESTED IN JOINING?

NPHC organizations participate in membership intake once a year as needed, either in fall or spring. The exact time is determined by the specific organization, not by NPHC. Individual organizations will hold informational meetings throughout the school year on campus. They will provide aspirants with the opportunity to learn more about an organization.

ADVICE TO INCOMING NEW MEMBERS
As a new member of the National Pan-Hellenic Council, you’ll be entering an exciting, challenging and at times confusing world. My best advice to you all is to embrace it wholeheartedly. You only get as much out of an experience as you’re willing to put in. Being Greek is a lifetime commitment so if you’re not prepared to give 110% to your council or chapter, then the experience will not as rewarding as you expect it to be. Be prepared for a lot of learning, growth, and self-reflection but also realize you’re going to be pushed outside your comfort zone at times. Again, just be prepared to embrace the journey ahead of you, it’s going to be a fulfilling one.

The cost of membership varies from chapter to chapter. In general, the first semester of membership is the most expensive because of one-time New Member/Membership Intake fees. Several chapters at UF offer payment plans and scholarships for members who need financial assistance. Each individual has different financial obligations associated with membership and potential new members are encouraged to ask questions about any other fees outside of dues that they will be expected to pay once initiated.

Where exactly is my money going? It varies from chapter to chapter, however the most common places your money goes are:

- New member/initiation dues
- Chapter dues
- National, regional, and local dues
- Social programming fees
- Risk management insurance
- Room and board fees

Additional costs throughout the semester will go to meal plans, pictures, gifts, social events, t-shirts, and the like.

Costs per chapter vary greatly. These numbers represent a basic average and are meant to show a general idea of costs per semester.
For many members of the Florida Greek community, living in their chapter house has proven to be a convenient and economical way to enhance their Greek experience. Currently, 38 of the 64 chapters at UF have chapter houses. Each house is managed on a day-to-day basis by a full-time House Director, and is overseen by a local or national house corporation board, a group of alumni who oversee the House Director and chapter finances, as well as advise on the upkeep and remodeling of the facilities. Many chapter houses provide study areas, TV rooms, computer labs, 10-15 meals per week, and limited on-site parking.

**How much does it cost to live in the house?**

For most chapters the fees for living in the chapter house are comparable to, or in some cases less than, living in a residence hall or apartment and having an on-campus meal plan. Room and board, meals, dues, and event costs may be included in one lump sum, therefore making it cheaper than other living situations.

**Can I live in the chapter house as a freshman?**

Chapter living facilities house only active members, typically sophomores and juniors. Almost all new members and freshmen live in their respective residence halls or off-campus apartments or homes because most chapters fill their houses during the previous spring semester. Members who live “out of house” usually frequent the chapter house during the day and eat lunch and dinner there.

**What if I purchase an on-campus meal plan?**

If you purchase an on-campus meal plan and then join a fraternity or sorority with a chapter house, the chapter can assist you in transferring your meal plan to the chapter house. If the meal plan is mandatory, the meal plan will be pro-rated and transferred to the chapter house at the cost of the new meal plan. Any remaining balance will be left on your Gator 1 Card as part of the declining balance account.

WHO CAN JOIN?
You must be a currently enrolled, degree seeking University of Florida student. Innovation Academy and PaCE (Pathways to Campus Enrollment) students will be able to seek membership in a social fraternity or sorority as long as they are enrolled and meet all membership requirements. This includes pre-enrollment fall semester. For the most up-to-date information, all interested men and women are encouraged to visit the Sorority and Fraternity Affairs website at greeks.ufl.edu.

DO I NEED TO PURCHASE A MEAL PLAN IF MY CHAPTER HAS A HOUSE?
Some chapters do require a meal plan. Housed chapters have their own meal plan programs and provide 10-15 meals a week. Because snacks and weekend meals are usually not included, many members of the Florida Greek community find it convenient to purchase a campus meal plan for missed meals and extra food. For most students, we recommend a declining balance account. For more information on UF meal plans, please visit gatordining.com.

HOW MUCH TIME IS EXPECTED OF GREEK LIFE MEMBERSHIP?
Being a member of a sorority or fraternity is a significant time commitment. For most people, the time requirement would be equivalent to taking another 3-credit class.

HOW ARE SORORITIES AND FRATERNITIES HELD ACCOUNTABLE?
While self-governing, each individual chapter is held accountable by multiple entities. Chapters are responsible for meeting the standards that are set forth by their international/national organization, their governing council, and by UF policies and code of conduct. In addition, each chapter is required to maintain an internal judicial system that is designed to hold members accountable for their actions.

WHAT IS THE UNIVERSITY’S STANCE ON HAZING?
The University of Florida seeks to promote a safe environment in which students may participate without compromising their health, safety, or welfare, and as such takes hazing seriously. Hazing is prohibited by law in the state of Florida and in the UF Student Code of Conduct. The prevention of hazing is the responsibility of every member of the University community. To file a complaint, please contact Sorority and Fraternity Affairs at (352) 392-1671. For more information on the UF Anti-Hazing Policy, visit dso.ufl.edu/sccr.
